N386 FIELD BORDER

❑ A Vendor Input/ACH-EFT Application must be completed before a contract may be created. This form allows a 1099-G to be submitted to you at the end of the year. It also allows for your reimbursement to be sent to your account electronically once your project is completed.

❑ Only acreage converted from cropland to permanent vegetative cover is eligible.

❑ Fields currently have to contain small grain/row crops to be eligible.

❑ Field borders can be hayed or mowed. Limited grazing is allowed as incidental use when crop field residue is being grazed after harvest.

❑ Land coming out of CRP will not qualify.

❑ The maximum width of the field border is 60 feet and the minimum width is 30 feet. The field border can exceed the maximum width of 60 feet but payment will only be issued on the 60 feet.

❑ The field border cannot encompass more than 25% of the entire acreage contained in the applied field.

❑ Practice must be maintained for ten years.

❑ A one time incentive payment of $600 per acre plus 75% of the county average cost to seed the field border is offered.

❑ I certify that I have not started the practice. I understand that if I begin the practice before I receive official notification of approval from the district board I am not eligible to receive cost-share assistance for completing the practice.

❑ I understand that the district board of supervisors must approve any modification in the design of the practice. Failure on my part to request changes and obtain board approval of the changes may jeopardize my cost-share payment for the practice.

❑ I understand that I am not eligible to receive payment for installing the practice until it meets NRCS Standards and Specifications within Commission policy.

❑ Once claim has been signed and approved it will take approximately 4-6 weeks before the reimbursement is issued to your account.

I have read the above cost share policies and procedures and understand them. I assume full responsibility for all expenses incurred if I fail to follow these policies and procedure.
